STADIUM ROAD, WATERFORD
ST. MICHAEL
BARBADOS, W.I.

April 07, 2005

Dear

The Executive Council of the Federation has determined that in the interest of maintaining the integrity of the Federation, The members shall ensure that all ammunition purchased on any day is fully consumed and under no condition what-so-ever will members be allowed to take ammunition from the Federations' premises, except when there are licenced to do so.

We will under no circumstances accept liability for members who are caught with unauthorised ammunition.

Members who want to have access to the Range outside of regular hours are asked to contact the Club Captains to make arrangement to do so. Club Captains will organise training in groups and arrange with the ammunitions officer to provide for such training.

To ensure that the process is adhered to, the locks to the Federation's premises have been changed. Members who currently have keys to the Federation are asked to return them to Charles Belle Vice President responsible for Firearms and ammunition with immediate effect.

Yours truly,

Curtis Smith
Honorary Secretary
